Dear Dr. Winkelman,

Thank you for your response and for bringing your team together to review next steps for the CI program. While we understand the need for internal planning, we urge timely communication to CI families to address ongoing concerns around enrollment and teacher placements.

To support constructive collaboration, we respectfully request:

- The date of the upcoming administrative meeting regarding CI planning.
- A meeting with you, Becky Wiegel, and any interested BOE members to discuss the program.
- Weekly updates on incoming CI kindergarten enrollment until the number of sections are confirmed.

We're committed to working with the district to ensure a strong future for the program and appreciate your continued engagement.

Sincerely,
